Contemporaneously with this IA, Dr. Naushad and the entities identified above in numbers “(2)” through “(8)” are entering into a Settlement Agreement with the United States.

II. TERM AND SCOPE OF THE IA

A. The date on which the final signatory of this IA executes this IA shall be known as the Effective Date, unless otherwise specified. The period of the compliance obligations assumed by Naushad under this IA shall be 5 years from the Effective Date. Each one-year period, beginning with the one-year period following the Effective Date, shall be referred to as a “Reporting Period.”

B. Sections VII, IX, X, and XI shall expire no later than 120 days after OIG's receipt of: (1) Naushad's final Annual Report; or (2) any additional materials submitted by Naushad pursuant to OIG's request, whichever is later.

C. The term "Covered Persons" includes:

1. Dr. Naushad and all associates, partners, shareholders, and employees of Naushad;
2. all contractors, subcontractors, agents, and other persons who provide patient care items or services or who perform billing or coding functions on behalf of Naushad; and
3. associates, partners, shareholders, and employees of any entity in which Dr. Naushad has an ownership or control interest at any time during the term of this IA (as defined in 42 U.S.C. § 1320a-3(a)(3)) and any contractors, subcontractors, agents, and other persons who provide patient care items or services or who perform billing or coding functions on behalf of such entity.

III. INTEGRITY OBLIGATIONS

Naushad shall establish and maintain a Compliance Program that includes the following elements:

A. Compliance Contact. Within 30 days after the Effective Date, Naushad shall designate a Covered Person to be responsible for compliance activities (Compliance Contact). Naushad shall maintain a Compliance Contact for the term of this IA. The Compliance Contact shall be responsible for: (1) monitoring Naushad's day-to-day compliance activities; (2) meeting all reporting obligations created under this IA; and (3) responding to questions and concerns from Covered Persons and the OIG regarding compliance with the IA.

Naushad shall report to OIG, in writing, any change in the identity or job responsibilities of the Compliance Contact, or any actions or changes that would affect the Compliance Contact's ability to perform the duties necessary to meet the obligations in this IA, within fifteen days after the change. The name, phone number, and a

description of any other job responsibilities performed by the Compliance Contact shall be included in the Implementation Report.

B. Posting of Notice. Within the 90 days after the Effective Date, Naushad shall post in a prominent place accessible to all patients and Covered Persons a notice detailing Naushad's commitment to comply with all Federal health care program requirements in the conduct of the Naushad businesses.

This notice shall include the following information: (i) a means (e.g., telephone number or address) by which billing concerns and other issues may be reported anonymously; (ii) Naushad's commitment to maintain the confidentiality of the report; and (iii) notification that reporting concerns and issues will not result in retribution or retaliation by Naushad.

This notice shall also include the HHS OIG Fraud Hotline telephone number (1-800-HHS-TIPS) as a confidential means by which suspected fraud or abuse in the Federal health care programs may be reported. A copy of this notice shall be included in the Implementation Report.

C. Billing and Claims Submission and Medical Record Documentation Procedures. Within 90 days after the Effective Date, Naushad shall implement and distribute to all Covered Persons written procedures and requirements for (i) preparing and submitting claims to Federal health care programs on behalf of Naushad and (ii) the proper documentation of medical records and billing information for services furnished on behalf of Naushad. Within 90 days after the Effective Date, each Covered Person shall certify in writing that he or she has received, read, understood, and shall abide by these procedures. New Covered Persons shall receive and review the procedures and shall complete the required certification within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later.

At least annually (and more frequently, if appropriate), Naushad shall assess and update, as necessary, these billing and claims submission and medical record documentation procedures. Within 30 days after the effective date of any revisions, any such revised procedures shall be distributed to Covered Persons.

Copies of the written billing and claims submission and medical record documentation procedures shall be included in the Implementation Report. Copies of any such procedure that are subsequently revised shall be included in the next Annual Report

along with a summary of any change or amendment to the procedures required by this Section and the reason for each change.

D. Training and Certification.

1. *Training.* Within 90 days after the Effective Date and during each subsequent Reporting Period, all Covered Persons shall receive at least three hours of training from an individual or entity, other than Naushad or another Covered Person. Training may be received from a variety of sources (e.g., CME classes, hospitals, associations, Medicare contractors). The employees of any third party billing company that submits claims to the Federal health care programs on behalf of Naushad shall not be considered Covered Persons for purposes of these training and certification requirements, provided that Naushad does not have any ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in the third party billing company, and the third party billing company provides the certification required by Section III.I of this IA.

New Covered Persons shall receive the training described above within 30 days after becoming a Covered Person or within 90 days after the Effective Date, whichever is later. A new Covered Person shall work under the direct supervision of a Covered Person who has received such training, to the extent that the work relates to the delivery of patient care items or services and/or the preparation or submission of claims for reimbursement from any Federal health care program, until such time as the new Covered Person completes the training.

At a minimum, the initial, annual, and new Covered Person training sessions shall include the following topics:

- a. the requirements of Naushad's IA;
- b. the accurate coding and submission of claims for services rendered and/or items provided to Federal health care program beneficiaries;
- c. applicable reimbursement statutes, regulations, and program requirements and directives;
- d. the policies, procedures, and other requirements applicable to the documentation of medical records;

- e. the personal obligation of each individual involved in the coding and claims submission process to ensure that such claims are accurate;
- f. the legal sanctions for the submission of improper claims or violations of the Federal health care program requirements; and
- g. examples of proper and improper coding and claims submission practices.

2. *Certification.* Each individual who is required to receive training shall certify in writing, or in electronic form if the training is computerized, that he or she has received the required training. The certification shall specify the type of training received and the date received. Naushad shall retain the certifications along with all training materials. The certifications and the training materials shall be made available to OIG, upon request.

3. *Qualifications of Trainer(s).* Persons providing the training shall be knowledgeable about the subject area.

4. *Update of Training.* The training required by this section shall be updated as necessary to reflect changes in Federal health care program requirements, any issues discovered during the Claims Review, and any other relevant information.

5. *Computer-Based Training.* Naushad may provide the training required under this IA through appropriate computer-based training approaches. If Naushad chooses to provide computer-based training, Naushad shall make available appropriately qualified and knowledgeable staff or trainers to answer questions or provide additional information to the individuals receiving such training.

E. Review Procedures.

1. *General Description.*

a. *Engagement of Independent Review Organization.* Within 90 days after the Effective Date, Naushad shall engage an individual or entity, such as an accounting, auditing, or consulting firm (hereinafter “Independent Review Organization” or “IRO”), to perform reviews to assist Naushad in assessing and evaluating Naushad’s billing and coding practices. The applicable requirements

relating to the IRO are outlined in Appendix A to this IA, which is incorporated by reference.

The IRO shall evaluate and analyze Naushad's coding, billing, and claims submission to the Federal health care programs and the reimbursement received (Claims Review).

b. *Frequency of Claims Review.* The Claims Review shall be performed annually and shall cover each of the Reporting Periods. The IRO(s) shall perform all components of each annual Claims Review.

c. *Retention of Records.* The IRO and Naushad shall retain and make available to OIG, upon request, all work papers, supporting documentation, correspondence, and draft reports (those exchanged between the IRO and Naushad) related to the reviews.

d. Naushad hereby represents that, effective January 1, 2010, the entities identified in Section I of the IA have been reorganized into two entities such that the operations of Advanced Pain Center Eureka, LLC, Advanced Pain Center St. Louis, LLC, and Advanced Pain Center Kennett, LLC have been merged into Advanced Pain Center St. Louis, LLC, and the operations of Abdul Naushad, MDPC, Advanced Pain Center Cape, LLC, Advanced Pain Center Farmington, LLC, and Advanced Pain Center Twin Cities, LLC have been merged into Abdul Naushad, MDPC. For the first Reporting Period, the Claims Review shall consist of a Claims Review of Advanced Pain Center St. Louis, LLC and a Claims Review of Abdul Naushad, MDPC, in accordance with the requirements set forth in this IA and outlined in Appendix B, which is incorporated into this IA by reference.

e. If, on the first day of any Reporting Period subsequent to the first Reporting Period, Dr. Naushad has an ownership or control interest, as defined in 42 U.S.C. § 1320a-3(a)(3), in more than one entity, then the Claims Review for that Reporting Period shall be conducted of a number of Naushad entities to be designated by OIG in accordance with: (i) the requirements of this IA; or (ii) written

requirements to be provided by OIG to Naushad no later than 60 days after the later of commencement of the respective Reporting Period or the date when OIG receives notice from Naushad indicating that Dr. Naushad has an ownership or control interest, as defined in 42 U.S.C. § 1320a-3(a)(3), in more than one entity.

f. If, on the first day of any Reporting Period subsequent to the first Reporting Period, Dr. Naushad has an ownership or control interest, as defined in 42 U.S.C. § 1320a-3(a)(3), in only one entity, then the Claims Review for that Reporting Period shall be conducted of the sole Naushad entity in accordance with the requirements set forth in this IA.

2. *Claims Review.* Each Claims Review for each Naushad entity shall include a Discovery Sample of 50 Paid Claims and, if the Error Rate for the Discovery Sample is 5% or greater, a Full Sample and Systems Review. The applicable definitions, procedures, and reporting requirements are outlined in Appendix B to this IA.

3. *Claims Review Report.* The IRO shall prepare a report based upon the Claims Review performed (Claims Review Report). Information to be included in the Claims Review Report is described in Appendix B, or will be set forth in writing by OIG and provided to Naushad as described above in section III.E.1.e of this IA.

4. *Repayment of Identified Overpayments.* Naushad shall repay within 30 days any Overpayment(s) identified in the Discovery Sample or the Full Sample (if applicable), regardless of the Error Rate, to the appropriate payor and in accordance with payor refund policies. Naushad shall make available to OIG all documentation that reflects the refund of the Overpayment(s) to the payor.

5. *Validation Review.* In the event OIG has reason to believe that: (a) Naushad's Claims Review fails to conform to the requirements of this IA; or (b) the IRO's findings or Claims Review results are inaccurate, OIG may, at its sole discretion, conduct its own review to determine whether the Claims Review complied with the requirements of the IA and/or the findings or Claims Review results are inaccurate (Validation Review). Naushad shall pay for the reasonable cost of any such review performed by OIG or any of its designated agents so long as it is initiated within one year after Naushad's final submission (as described in Section II) is received by OIG.

Prior to initiating a Validation Review, OIG shall notify Naushad of its intent to do so and provide a written explanation of why OIG believes such a review is necessary. To resolve any concerns raised by OIG, Naushad may request a meeting with OIG to: (a) discuss the results of any Claims Review submissions or findings; (b) present any additional or relevant information to clarify the results of the Claims Review to correct the inaccuracy of the Claims Review; and/or (c) propose alternatives to the proposed Validation Review. Naushad agrees to provide any additional information requested by OIG under this Section in an expedited manner. OIG will attempt in good faith to resolve any Claims Review issues with Naushad prior to conducting a Validation Review. However, the final determination as to whether or not to proceed with a Validation Review shall be made at the sole discretion of OIG.

6. *Independence and Objectivity Certification.* The IRO shall include in its report(s) to Naushad a certification or sworn affidavit that it has evaluated its professional independence and objectivity, as appropriate to the nature of the engagement, with regard to the Claims Review and that it has concluded that it is, in fact, independent and objective.

F. Ineligible Persons.

1. *Definitions.* For purposes of this IA:

- a. an “Ineligible Person” shall include an individual or entity who:
 - i. is currently excluded, debarred, suspended, or otherwise ineligible to participate in the Federal health care programs or in Federal procurement or nonprocurement programs; or
 - ii. has been convicted of a criminal offense that falls within the scope of 42 U.S.C. § 1320a-7(a), but has not yet been excluded, debarred, suspended, or otherwise declared ineligible.
- b. “Exclusion Lists” include:
 - i. the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at <http://www.oig.hhs.gov>);
 - and

ii. the General Services Administration's List of Parties Excluded from Federal Programs (available through the Internet at <http://www.epls.gov>).

2. *Screening Requirements.* Naushad shall not hire, employ or engage as a Covered Person any Ineligible Person. Naushad shall ensure that all Covered Persons are not Ineligible Persons, by implementing the following screening requirements.

a. Naushad shall screen all Covered Persons against the Exclusion Lists prior to engaging their services and, as part of the hiring or contracting process, shall require such Covered Persons to disclose whether they are Ineligible Persons.

b. Naushad shall screen all Covered Persons against the Exclusion Lists within 90 days after the Effective Date and on an annual basis thereafter.

c. Naushad shall require all Covered Persons to disclose immediately any debarment, exclusion, suspension, or other event that makes that person an Ineligible Person.

Naushad shall maintain documentation demonstrating that: (1) Naushad has checked the Exclusion Lists (e.g., print screens from search results) and determined that such individuals or entities are not Ineligible Persons; and (2) have required individuals and entities to disclose if they are Ineligible Persons (e.g., employment applications).

Nothing in this Section affects the responsibility of (or liability for) Naushad to refrain from billing Federal health care programs for items or services furnished, ordered, or prescribed by an Ineligible Person. Naushad understands that items or services furnished by excluded persons are not payable by Federal health care programs and that Naushad may be liable for overpayments and/or criminal, civil, and administrative sanctions for employing or contracting with an excluded person regardless of whether Naushad meets the requirements of Section III.F.

3. *Removal Requirement.* If Naushad has actual notice that a Covered Person has become an Ineligible Person, Naushad shall remove such Covered Person from responsibility for, or involvement with, Naushad's business operations related to the

Federal health care programs and shall remove such Covered Person from any position for which the Covered Person's compensation or the items or services rendered, ordered, or prescribed by the Covered Person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds at least until such time as the Covered Person is reinstated into participation in the Federal health care programs.

4. *Pending Charges and Proposed Exclusions.* If Naushad has actual notice that a Covered Person is charged with a criminal offense that falls within the scope of 42 U.S.C. §§ 1320a-7(a), 1320a-7(b)(1)-(3), or is proposed for exclusion during the Covered Person's employment or contract term, Naushad shall take all appropriate actions to ensure that the responsibilities of that Covered Person have not and shall not adversely affect the quality of care rendered to any beneficiary, patient, or resident, or any claims submitted to any Federal health care program.

G. Notification of Government Investigation or Legal Proceedings.

Within 30 days after discovery, Naushad shall notify OIG, in writing, of any ongoing investigation or legal proceeding known to Naushad conducted or brought by a governmental entity or its agents involving an allegation that Naushad has committed a crime or has engaged in fraudulent activities. This notification shall include a description of the allegation, the identity of the investigating or prosecuting agency, and the status of such investigation or legal proceeding. Naushad shall also provide written notice to OIG within 30 days after the resolution of the matter, and shall provide OIG with a description of the findings and/or results of the investigation or proceedings, if any.

H. Repayment of Overpayments.

1. *Definition of Overpayments.* For purposes of this IA, an "Overpayment" shall mean the amount of money Naushad has received in excess of the amount due and payable under any Federal health care program requirements.

2. *Repayment of Overpayments.*

a. If, at any time, Naushad identifies or learns of any Overpayment, Naushad shall repay the Overpayment to the appropriate payor (e.g., Medicare fiscal intermediary or carrier) within 30 days after identification of the Overpayment and take remedial steps within 60 days after identification (or such additional time as may be agreed to

by the payor) to correct the problem, including preventing the underlying problem and the Overpayment from recurring. If not yet quantified, within 30 days after identification, Naushad shall notify the payor of its efforts to quantify the Overpayment amount along with a schedule of when such work is expected to be completed. Notification and repayment to the payor shall be done in accordance with the payor's policies, and, for Medicare contractors, shall include the information contained on the Overpayment Refund Form, provided as Appendix C to this IA.

b. Notwithstanding the above, notification and repayment of any Overpayment amount that routinely is reconciled or adjusted pursuant to policies and procedures established by the payor should be handled in accordance with such policies and procedures.

I. Reportable Events.

1. *Definition of Reportable Event.* For purposes of this IA, a "Reportable Event" means anything that involves:

- b. a matter that a reasonable person would consider a probable violation of criminal, civil, or administrative laws applicable to any Federal health care program for which penalties or exclusion may be authorized; or
- c. the filing of a bankruptcy petition by Naushad.

A Reportable Event may be the result of an isolated event or a series of occurrences.

2. *Reporting of Reportable Events.* If Naushad determines (after a reasonable opportunity to conduct an appropriate review or investigation of the allegations) through any means that there is a Reportable Event, Naushad shall notify OIG, in writing, within 30 days after making the determination that the Reportable Event exists.

3. *Reportable Events under Section III.I.1.a.* For Reportable Events under Section III.I.1.a, the report to OIG shall be made at the same time as the repayment to the payor required in Section III.H, and shall include:

- d. if the Reportable Event has resulted in an Overpayment, a description of the steps taken by Naushad to identify and quantify the Overpayment.

5. *Reportable Events under Section III.I.1.c.* If the Reportable Event involves the filing of a bankruptcy petition, the report to the OIG shall include documentation of the bankruptcy filing and a description of any Federal health care program authorities implicated.

J. Third Party Billing. If, prior to the Effective Date, or at any time during the term of this IA Naushad contracts with a third party billing company to submit claims to the Federal health care programs on behalf of Naushad, Naushad must certify to OIG that Naushad does not have an ownership or control interest (as defined in 42 U.S.C. § 1320a-3(a)(3)) in the third party billing company and are not employed by, and do not act as a consultant to, the third party billing company. Such certification must be included in the Implementation Report and each Annual Report (as applicable) submitted to OIG.

Naushad also shall obtain and provide to OIG in the Implementation Report and each Annual Report (as applicable) a certification from any third party billing company that the company: (i) has a policy of not employing any person who is excluded, debarred, suspended or otherwise ineligible to participate in Medicare or other Federal health care programs to perform any duties related directly or indirectly to the preparation or submission of claims to Federal health care programs; (ii) screens its prospective and current employees against the HHS/OIG List of Excluded Individuals/Entities and the General Services Administration's List of Parties Excluded from Federal Programs; and (iii) provides training in the applicable requirements of the Federal health care programs to those employees involved in the preparation and submission of claims to Federal health care programs.

IV. CHANGES TO BUSINESS UNITS OR LOCATIONS; NEW EMPLOYMENT OR CONTRACTUAL ARRANGEMENT

A. Change or Closure of Unit or Location. In the event that, after the Effective Date, Naushad (or any of Naushad) changes locations or closes a business unit or location related to the furnishing of items or services that may be reimbursed by Federal health care programs, Naushad shall notify OIG of this fact as soon as possible, but no later than 30 days after the date of change or closure of the location.

purchase or the operation of the new business unit or location. This notification shall include the address of the new business unit or location, phone number, fax number, Medicare and state Medicaid program provider identification number and/or supplier number, and the name and address of the contractor that issued each number. Each new business unit or location and all Covered Persons at each new business unit or location shall be subject to the applicable requirements of this IA.

Unless otherwise specified, all notifications and reports required by this IA shall be made by certified mail, overnight mail, hand delivery, or other means, provided that there is proof that such notification was received. For purposes of this requirement, internal facsimile confirmation sheets do not constitute proof of receipt. Upon request by OIG, Naushad may be required to provide OIG with an electronic copy of each notification or report required by this IA in searchable portable document format (pdf), either instead of or in addition to, a paper copy.

VII. OIG INSPECTION, AUDIT, AND REVIEW RIGHTS

In addition to any other rights OIG may have by statute, regulation, or contract, OIG or its duly authorized representative(s) may examine or request copies of Naushad's books, records, and other documents and supporting materials and/or conduct on-site reviews of any of Naushad's locations for the purpose of verifying and evaluating: (a) Naushad's compliance with the terms of this IA; and (b) Naushad's compliance with the requirements of the Federal health care programs in which Naushad participates. The documentation described above shall be made available by Naushad to OIG or its duly authorized representative(s) at all reasonable times for inspection, audit, or reproduction. Furthermore, for purposes of this provision, OIG or its duly authorized representative(s) may interview any of Naushad's employees, contractors, or agents who consent to be interviewed at the individual's place of business during normal business hours or at such other place and time as may be mutually agreed upon between the individual and OIG. Naushad shall assist OIG or its duly authorized representative(s) in contacting and arranging interviews with such individuals upon OIG's request. Naushad's employees may elect to be interviewed with or without a representative of Naushad present.

VIII. DOCUMENT AND RECORD RETENTION

Naushad shall maintain for inspection all documents and records relating to reimbursement from the Federal health care programs and to compliance with this IA for six years (or longer if otherwise required by law) from the Effective Date.

IX. DISCLOSURES

Consistent with HHS's FOIA procedures, set forth in 45 C.F.R. Part 5, OIG shall make a reasonable effort to notify Naushad prior to any release by OIG of information submitted by Naushad pursuant to its obligations under this IA and identified upon submission by Naushad as trade secrets, or information that is commercial or financial

and privileged or confidential, under the FOIA rules. With respect to such releases, Naushad shall have the rights set forth at 45 C.F.R. § 5.65(d).

X. BREACH AND DEFAULT PROVISIONS

Naushad is expected to fully and timely comply with all of its IA obligations.

A. Stipulated Penalties for Failure to Comply with Certain Obligations. As a contractual remedy, Naushad and OIG hereby agree that failure to comply with certain obligations set forth in this IA (unless a timely written request for an extension has been submitted and approved in accordance with Section B below) may lead to the imposition of the following monetary penalties (hereinafter referred to as “Stipulated Penalties”) in accordance with the following provisions.

1. A Stipulated Penalty of \$750 (which shall begin to accrue on the day after the date the obligation became due) for each day Naushad fails to:
 - a. designate a Compliance Contact in accordance with the requirements of Section III.A;
 - b. establish and/or post a notice in accordance with the requirements of Section III.B;
 - c. implement, distribute, or update the procedures required by Section III.C;
 - d. establish and implement a training program in accordance with the requirements of Section III.D;
 - e. engage an IRO in accordance with the requirements of Section III.E and Appendix A;
 - f. submit the IRO’s annual Claims Review Report in accordance with the requirements of Section III.E and Appendix B or, if applicable, the written requirements of the OIG, as described in Section III.E.1.e of this IA;

- g. obtain and/or maintain the following documentation: written procedures certifications in accordance with the requirements of Section III.C, training certification(s) in accordance with the requirements of Section III.D, and/or documentation of screening and disclosure requirements in accordance with the requirements of Section III.F;
- h. screen Covered Persons in accordance with the requirements of Section III.F; or require Covered Persons to disclose if they are debarred, excluded, suspended or are otherwise considered an Ineligible Person in accordance with the requirements of Section III.F;
- i. notify OIG of a government investigation or legal proceeding, in accordance with the requirements of Section III.G;
- j. provide to OIG the certifications required by Section III.J relating to any third party biller engaged by Naushad during the term of the IA; or
- k. report a Reportable Event.

2. A Stipulated Penalty of \$1,000 (which shall begin to accrue on the day after the date the obligation became due) for each day Naushad fails to submit the Implementation Report or the Annual Reports to OIG in accordance with the requirements of Section V by the deadlines for submission.

3. A Stipulated Penalty of \$750 for each day Naushad fails to grant access as required in Section VII. (This Stipulated Penalty shall begin to accrue on the date Naushad fails to grant access.)

4. A Stipulated Penalty of \$750 (which shall begin to accrue on the date the failure to comply began) for each day Naushad employs or contracts with an Ineligible Person and that person: (i) has responsibility for, or involvement with, Naushad's business operations related to the Federal health care programs; or (ii) is in a position for which the person's salary or the items or services rendered, ordered, or prescribed by the person are paid in whole or part, directly or indirectly, by Federal health care programs or otherwise with Federal funds (the Stipulated Penalty described in this paragraph shall not

be demanded for any time period during which Naushad can demonstrate that it did not discover the person's exclusion or other ineligibility after making a reasonable inquiry (as described in section III.F) as to the status of the person).

5. A Stipulated Penalty of \$5,000 for each false certification submitted by or on behalf of Naushad as part of its Implementation Report, Annual Reports, additional documentation to a report (as requested by OIG), or as otherwise required by this IA.

6. A Stipulated Penalty of \$750 for each day Naushad fails to comply fully and adequately with any obligation of this IA. OIG shall provide notice to Naushad stating the specific grounds for its determination that Naushad has failed to comply fully and adequately with the IA obligation(s) at issue and steps the Naushad shall take to comply with the IA. (This Stipulated Penalty shall begin to accrue 10 days after the date Naushad receives this notice from OIG of the failure to comply.) A Stipulated Penalty as described in this Subsection shall not be demanded for any violation for which OIG has sought a Stipulated Penalty under Subsections 1-5 of this Section.

B. Timely Written Requests for Extensions. Naushad may, in advance of the due date, submit a timely written request for an extension of time to perform any act or file any notification or Report required by this IA. Notwithstanding any other provision in this Section, if OIG grants the timely written request with respect to an act, notification, or Report, Stipulated Penalties for failure to perform the act or file the notification or Report shall not begin to accrue until one day after Naushad fails to meet the revised deadline set by OIG. Notwithstanding any other provision in this Section, if OIG denies such a timely written request, Stipulated Penalties for failure to perform the act or file the notification or Report shall not begin to accrue until three business days after Naushad receives OIG's written denial of such request or the original due date, whichever is later. A "timely written request" is defined as a request in writing received by OIG at least five business days prior to the date by which any act is due to be performed or any notification or report is due to be filed.

C. Payment of Stipulated Penalties.

1. *Demand Letter.* Upon a finding that Naushad has failed to comply with any of the obligations described in Section X.A and after determining that Stipulated Penalties are appropriate, OIG shall notify Naushad of: (a) Naushad's failure to comply; and (b) OIG's intent to exercise its contractual right to demand payment of the Stipulated Penalties (this notification is referred to as the "Demand Letter").

2. *Response to Demand Letter.* Within 10 days of the receipt of the Demand Letter, Naushad shall either: (a) cure the breach to OIG's satisfaction and pay the applicable Stipulated Penalties; or (b) send in writing to OIG a request for a hearing before an HHS administrative law judge (ALJ) to dispute OIG's determination of noncompliance, pursuant to the agreed upon provisions set forth below in Section X.E. In the event Naushad elects to request an ALJ hearing, the Stipulated Penalties shall continue to accrue until Naushad cures, to OIG's satisfaction, the alleged breach in dispute. Failure to respond to the Demand Letter in one of these two manners within the allowed time period shall be considered a material breach of this IA and shall be grounds for exclusion under Section X.D.

3. *Form of Payment.* Payment of the Stipulated Penalties shall be made by electronic funds transfer to an account specified by OIG in the Demand Letter.

4. *Independence from Material Breach Determination.* Except as set forth in Section X.D.1.c, these provisions for payment of Stipulated Penalties shall not affect or otherwise set a standard for OIG's decision that Naushad has materially breached this IA, which decision shall be made at OIG's discretion and shall be governed by the provisions in Section X.D, below.

D. Exclusion for Material Breach of this IA.

1. *Definition of Material Breach.* A material breach of this IA means:

- a. a failure by Naushad to report a Reportable Event, take corrective action and make the appropriate refunds, as required in Section III.H;
- b. a repeated or flagrant violation of the obligations under this IA, including, but not limited to, the obligations addressed in Section X.A;
- c. a failure to respond to a Demand Letter concerning the payment of Stipulated Penalties in accordance with Section X.C; or
- d. a failure to engage and use an IRO in accordance with Section III.E.

2. *Notice of Material Breach and Intent to Exclude.* The parties agree that a material breach of this IA by Naushad constitutes an independent basis for Naushad's exclusion from participation in the Federal health care programs. Upon a determination by OIG that Naushad has materially breached this IA and that exclusion is the appropriate remedy, OIG shall notify Naushad of: (a) Naushad's material breach; and (b) OIG's intent to exercise its contractual right to impose exclusion (this notification is hereinafter referred to as the "Notice of Material Breach and Intent to Exclude").

3. *Opportunity to Cure.* Naushad shall have 30 days from the date of receipt of the Notice of Material Breach and Intent to Exclude to demonstrate to OIG's satisfaction that:

- a. Naushad is in compliance with the obligations of the IA cited by OIG as being the basis for the material breach;
- b. the alleged material breach has been cured; or
- c. the alleged material breach cannot be cured within the 30-day period, but that: (i) Naushad has begun to take action to cure the material breach; (ii) Naushad is pursuing such action with due diligence; and (iii) Naushad has provided to OIG a reasonable timetable for curing the material breach.

4. *Exclusion Letter.* If, at the conclusion of the 30 day period, Naushad fails to satisfy the requirements of Section X.D.3, OIG may exclude Naushad from participation in the Federal health care programs. OIG shall notify Naushad in writing of its determination to exclude Naushad (this letter shall be referred to hereinafter as the "Exclusion Letter"). Subject to the Dispute Resolution provisions in Section X.E, below, the exclusion shall go into effect 30 days after the date of Naushad's receipt of the Exclusion Letter. The exclusion shall have national effect and shall also apply to all other Federal procurement and nonprocurement programs. Reinstatement to program participation is not automatic. At the end of the period of exclusion, Naushad may apply for reinstatement, by submitting a written request for reinstatement in accordance with the provisions at 42 C.F.R. §§ 1001.3001-.3004.

E. Dispute Resolution.

1. *Review Rights.* Upon OIG's delivery to Naushad of its Demand Letter or of its Exclusion Letter, and as an agreed-upon contractual remedy for the resolution of disputes arising under this IA, Naushad shall be afforded certain review rights comparable to the ones that are provided in 42 U.S.C. § 1320a-7(f) and 42 C.F.R. Part 1005 as if they applied to the Stipulated Penalties or exclusion sought pursuant to this IA. Specifically, OIG's determination to demand payment of Stipulated Penalties or to seek exclusion shall be subject to review by an HHS ALJ and, in the event of an appeal, the HHS Departmental Appeals Board (DAB), in a manner consistent with the provisions in 42 C.F.R. § 1005.2-1005.21. Notwithstanding the language in 42 C.F.R. § 1005.2(c), the request for a hearing involving Stipulated Penalties shall be made within 10 days after the receipt of the Demand Letter and the request for a hearing involving exclusion shall be made within 25 days after receipt of the Exclusion Letter.

2. *Stipulated Penalties Review.* Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for Stipulated Penalties under this IA shall be: (a) whether Naushad was in full and timely compliance with the obligations of this IA for which OIG demands payment; and (b) the period of noncompliance. Naushad shall have the burden of proving its full and timely compliance and the steps taken to cure the noncompliance, if any. OIG shall not have the right to appeal to the DAB an adverse ALJ decision related to Stipulated Penalties. If the ALJ agrees with OIG with regard to a finding of a breach of this IA and orders Naushad to pay Stipulated Penalties, such Stipulated Penalties shall become due and payable 20 days after the ALJ issues such a decision unless Naushad requests review of the ALJ decision by the DAB. If the ALJ decision is properly appealed to the DAB and the DAB upholds the determination of OIG, the Stipulated Penalties shall become due and payable 20 days after the DAB issues its decision.

3. *Exclusion Review.* Notwithstanding any provision of Title 42 of the United States Code or Chapter 42 of the Code of Federal Regulations, the only issues in a proceeding for exclusion based on a material breach of this IA shall be:

- a. whether Naushad was in material breach of this IA;
- b. whether such breach was continuing on the date of the Exclusion Letter; and
- c. whether the alleged material breach could not have been cured within the 30 day period, but that: (i) Naushad had begun to take

action to cure the material breach within that period; (ii) Naushad has pursued and is pursuing such action with due diligence; and (iii) Naushad provided to OIG within that period a reasonable timetable for curing the material breach and Naushad has followed the timetable.

For purposes of the exclusion herein, exclusion shall take effect only after an ALJ decision favorable to OIG, or, if the ALJ rules for Naushad, only after a DAB decision in favor of OIG. Naushad's election of its contractual right to appeal to the DAB shall not abrogate OIG's authority to exclude Naushad upon the issuance of an ALJ's decision in favor of OIG. If the ALJ sustains the determination of OIG and determines that exclusion is authorized, such exclusion shall take effect 20 days after the ALJ issues such a decision, notwithstanding that Naushad may request review of the ALJ decision by the DAB. If the DAB finds in favor of OIG after an ALJ decision adverse to OIG, the exclusion shall take effect 20 days after the DAB decision. Naushad shall waive Naushad's right to any notice of such an exclusion if a decision upholding the exclusion is rendered by the ALJ or DAB. If the DAB finds in favor of Naushad, Naushad shall be reinstated effective the date of the original exclusion.

4. *Finality of Decision.* The review by an ALJ or DAB provided for above shall not be considered to be an appeal right arising under any statutes or regulations. Consequently, the parties to this IA agree that the DAB's decision (or the ALJ's decision if not appealed) shall be considered final for all purposes under this IA.

XI. EFFECTIVE AND BINDING AGREEMENT

Naushad and OIG agree as follows:

- A. This IA shall become final and binding on the date the final signature is obtained on the IA.
- B. This IA constitutes the complete agreement between the parties and may not be amended except by prior written consent of the parties to this IA.
- C. This IA shall be binding on the successors, assigns, and transferees of Naushad.

D. OIG may agree to a suspension of Naushad's obligations under this IA based on a certification by Naushad that Naushad is no longer providing health care items or services that will be billed to any Federal health care programs and Naushad does not have any ownership or control interest, as defined in 42 U.S.C. § 1320a-3, in any entity that bills any Federal health care program. If Naushad is relieved of Naushad IA obligations, Naushad shall be required to notify OIG in writing at least 30 days in advance if Naushad plans to resume providing health care items or services that are billed to any Federal health care program or to obtain an ownership or control interest in any entity that bills any Federal health care program. At such time, the OIG shall evaluate whether the IA will be reactivated or modified.

E. All requirements and remedies set forth in this IA are in addition to, and do not effect (1) Naushad's responsibility to follow all applicable Federal health care program requirements or (2) the Government's right to impose appropriate remedies for failure to follow applicable program requirements.

F. The undersigned Naushad signatory represents and warrants that he is authorized to execute this IA. The undersigned OIG signatory represents that he is signing this IA in his official capacity and that he is authorized to execute this IA.

G. This IA may be executed in counterparts, each of which constitutes an original and all of which constitute one and the same IA. Facsimiles of signatures shall constitute acceptable, binding signatures for purposes of this IA.

APPENDIX A

INDEPENDENT REVIEW ORGANIZATION

This Appendix contains the requirements relating to the Independent Review Organization (IRO) required by Section III.E of the IA.

A. IRO Engagement.

Naushad shall engage an IRO that possesses the qualifications set forth in Paragraph B, below, to perform the responsibilities in Paragraph C, below. The IRO shall conduct the review in a professionally independent and objective fashion, as set forth in Paragraph D. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify Naushad if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Naushad may continue to engage the IRO.

If Naushad engages a new IRO during the term of the IA, this IRO shall also meet the requirements of this Appendix. If a new IRO is engaged, Naushad shall submit the information identified in Section V.A.7 and Section V.A.8 of the IA to OIG within 30 days of engagement of the IRO. Within 30 days after OIG receives written notice of the identity of the selected IRO, OIG will notify Naushad if the IRO is unacceptable. Absent notification from OIG that the IRO is unacceptable, Naushad may continue to engage the IRO.

B. IRO Qualifications.

The IRO shall:

1. assign individuals to conduct the Claims Review who have expertise in the billing, coding, reporting, and other requirements of pain management services and in the general requirements of the Federal health care program(s) from which Naushad seeks reimbursement;

2. assign individuals to design and select the Claims Review sample who are knowledgeable about the appropriate statistical sampling techniques;

3. assign individuals to conduct the coding review portions of the Claims Review who have a nationally recognized coding certification and who have maintained this certification (e.g., completed applicable continuing education requirements); and

4. have sufficient staff and resources to conduct the reviews required by the IA on a timely basis.

C. IRO Responsibilities.

The IRO shall:

1. perform each Claims Review, if applicable in accordance with the specific requirements of the IA;
2. follow all applicable Medicare, Medicaid, or other Federal health care program rules and reimbursement guidelines in making assessments in the Claims Review;
3. if in doubt of the application of a particular Medicare, Medicaid, or other Federal health care program policy or regulation, request clarification from the appropriate authority (e.g., fiscal intermediary or carrier);
4. respond to all OIG inquiries in a prompt, objective, and factual manner; and
5. prepare timely, clear, well-written reports that include all the information required by Appendix B, or the OIG as described in Section III.E.1.e of the IA, whichever applies.

D. IRO Independence and Objectivity.

The IRO must perform the Claims Review in a professionally independent and objective fashion, as appropriate to the nature of the engagement, taking into account any other business relationships or engagements that may exist between the IRO and Naushad.

E. IRO Removal/Termination.

1. Provider. If Naushad terminates its IRO during the course of the engagement, Naushad must submit a notice explaining its reasons to OIG no later than 30 days after termination. Naushad must engage a new IRO in accordance with Paragraph A of this Appendix.

2. OIG Removal of IRO. In the event OIG has reason to believe that the IRO does not possess the qualifications described in Paragraph B, is not independent and/or objective as set forth in Paragraph D, or has failed to carry out its responsibilities as described in Paragraph C, OIG may, at its sole discretion, require Naushad to engage a new IRO in accordance with Paragraph A of this Appendix.

Prior to requiring Naushad to engage a new IRO, OIG shall notify Naushad of its intent to do so and provide a written explanation of why OIG believes such a step is necessary. To resolve any concerns raised by OIG, Naushad may request a meeting with

OIG to discuss any aspect of the IRO's qualifications, independence or performance of its responsibilities and to present additional information regarding these matters. Naushad shall provide any additional information as may be requested by OIG under this Paragraph in an expedited manner. OIG will attempt in good faith to resolve any differences regarding the IRO with Naushad prior to requiring Naushad to terminate the IRO. However, the final determination as to whether or not to require Naushad to engage a new IRO shall be made at the sole discretion of OIG.

APPENDIX B
CLAIMS REVIEW

A. Claims Review.

1. *Definitions.* For the purposes of the Claims Review, the following definitions shall be used:

a. Overpayment: The amount of money Naushad has received in excess of the amount due and payable under any Federal health care program requirements.

b. Item: Any discrete unit that can be sampled (e.g., code, line item, beneficiary, patient encounter, etc.).

c. Paid Claim: A code or line item submitted by Naushad and for which Naushad has received reimbursement from Medicare, Medicaid or any Federal health care program.

d. Population: For the first Reporting Period, the Population shall be defined as all Items for which a code or line item has been submitted by or on behalf of Naushad and for which Naushad has received reimbursement from Medicare, Medicaid or any Federal health care program (i.e., Paid Claim) during the 12-month period covered by the first Claims Review.

For the remaining Reporting Periods, the Population shall be defined as all Items for which Naushad has received reimbursement from Medicare, Medicaid or any Federal health care program (i.e., Paid Claim) during the 12-month period covered by the Claims Review.

To be included in the Population, an Item must have resulted in at least one Paid Claim.

e. Error Rate: The Error Rate shall be the percentage of net Overpayments identified in the sample. The net Overpayments shall be calculated by subtracting all underpayments identified in the sample from all gross Overpayments identified in the sample. (Note: Any potential cost settlements or other supplemental payments should not be included in the net Overpayment calculation. Rather, only underpayments identified as part of the Discovery Sample shall be included as part of the net Overpayment calculation.)

The Error Rate is calculated by dividing the net Overpayment identified in the sample by the total dollar amount associated with the Items in the sample.

2. *Discovery Sample.* The IRO shall randomly select and review a Discovery Sample. The Paid Claims shall be reviewed based on the supporting documentation available at Naushad's office or under Naushad's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed.

If the Error Rate (as defined above) for the Discovery Sample is less than 5%, no additional sampling is required, nor is the Systems Review required. (Note: The guidelines listed above do not imply that this is an acceptable error rate. Accordingly, Naushad should, as appropriate, further analyze any errors identified in the Discovery Sample. Naushad recognizes that OIG or other HHS component, in its discretion, and as authorized by statute, regulation, or other appropriate authority, may also analyze or review Paid Claims included, or errors identified, in the Discovery Sample or any other segment of the universe.)

3. *Full Sample.* If the Discovery Sample indicates that the Error Rate is 5% or greater, the IRO shall select an additional sample of Paid Claims (Full Sample) using commonly accepted sampling methods. The Full Sample shall be designed to: (1) estimate the actual Overpayment in the population with a 90% confidence level and with a maximum relative precision of 25% of the point estimate; and (2) conform with the Centers for Medicare and Medicaid Services' statistical sampling for overpayment estimation guidelines. The Paid Claims selected for the Full Sample shall be reviewed based on supporting documentation available at Naushad's office or under Naushad's control and applicable billing and coding regulations and guidance to determine whether the claim submitted was correctly coded, submitted, and reimbursed. For purposes of calculating the size of the Full Sample, the Discovery Sample may serve as the probe sample, if statistically appropriate. Additionally, Naushad may use the Items sampled as part of the Discovery Sample, and the corresponding findings for those 50 Items, as part of its Full Sample, if: (1) statistically appropriate and (2) Naushad selects the Full Sample Items using the seed number generated by the Discovery Sample. OIG, in its sole discretion, may refer the findings of the Full Sample (and any related workpapers) received from Naushad to the appropriate Federal health care program payor, including the Medicare contractor (e.g., carrier, fiscal intermediary, or DMERC), for appropriate follow-up by that payor.

4. *Systems Review.* If Naushad's Discovery Sample identifies an Error Rate of 5% or greater, Naushad's IRO shall also conduct a Systems Review. Specifically, for each claim in the Discovery Sample and Full Sample that resulted in an Overpayment, the IRO shall perform a "walk through" of the system(s) and process(es) that generated the claim to identify any problems or weaknesses that may have resulted in the identified Overpayments. The IRO shall provide its observations and recommendations on suggested improvements to the system(s) and the process(es) that generated the claim.

5. *Other Requirements.*

a. Paid Claims without Supporting Documentation. For the purpose of appraising Items included in the Claims Review, any Paid Claim for which Naushad cannot produce documentation sufficient to support the Paid Claim shall be considered an error and the total reimbursement received by Naushad for such Paid Claim shall be deemed an Overpayment. Replacement sampling for Paid Claims with missing documentation is not permitted.

b. Replacement Sampling. Replacement sampling is not permitted for Items with missing documentation.

c. Use of First Samples Drawn. For the purposes of all samples (Discovery Sample(s) and Full Sample(s)) discussed in this Appendix, the Paid Claims associated with the Items selected in each first sample (or first sample for each strata, if applicable) shall be used (i.e., it is not permissible to generate more than one list of random samples and then select one for use with the Discovery Sample or Full Sample).

B. Claims Review Report. The following information shall be included in the Claims Review Report for each Discovery Sample and Full Sample (if applicable).

1. *Claims Review Methodology.*

a. Sampling Unit. A description of the Item as that term is utilized for the Claims Review.

b. Claims Review Population. A description of the Population subject to the Claims Review.

c. Claims Review Objective. A clear statement of the objective intended to be achieved by the Claims Review.

d. Sampling Frame. A description of the sampling frame, which is the totality of Items from which the Discovery Sample and, if any, Full Sample has been selected and an explanation of the methodology used to identify the sampling frame. In most circumstances, the sampling frame will be identical to the Population.

e. Source of Data. A description of the specific documentation relied upon by the IRO when performing the Claims Review (e.g., medical records,

physician orders, certificates of medical necessity, requisition forms, local medical review policies (including title and policy number), CMS program memoranda (including title and issuance number), Medicare carrier or intermediary manual or bulletins (including issue and date), other policies, regulations, or directives).

f. Review Protocol. A narrative description of how the Claims Review was conducted and what was evaluated.

2. *Statistical Sampling Documentation.*

- a. The number of Items appraised in the Discovery Sample and, if applicable, in the Full Sample.
- b. A copy of the printout of the random numbers generated by the “Random Numbers” function of the statistical sampling software used by the IRO.
- c. A copy of the statistical software printout(s) estimating how many Items are to be included in the Full Sample, if applicable.
- d. A description or identification of the statistical sampling software package used to select the sample and determine the Full Sample size, if applicable.

3. *Claims Review Findings.*

- a. Narrative Results.
 - i. A description of Naushad’s billing and coding system(s), including the identification, by position description, of the personnel involved in coding and billing.
 - ii. A narrative explanation of the IRO’s findings and supporting rationale (including reasons for errors, patterns noted, etc.) regarding the Claims Review, including the results of the Discovery Sample, and the results of the Full Sample (if any).
- b. Quantitative Results.
 - i. Total number and percentage of instances in which the IRO determined that the Paid Claims submitted by Naushad (Claim

Submitted) differed from what should have been the correct claim (Correct Claim), regardless of the effect on the payment.

ii. Total number and percentage of instances in which the Claim Submitted differed from the Correct Claim and in which such difference resulted in an Overpayment to Naushad.

iii. Total dollar amount of all Overpayments in the sample.

iv. Total dollar amount of paid Items included in the sample and the net Overpayment associated with the sample.

v. Error Rate in the sample.

vi. A spreadsheet of the Claims Review results that includes the following information for each Paid Claim appraised: Federal health care program billed, beneficiary health insurance claim number, date of service, procedure code submitted, procedure code reimbursed, allowed amount reimbursed by payor, correct procedure code (as determined by the IRO), correct allowed amount (as determined by the IRO), dollar difference between allowed amount reimbursed by payor and the correct allowed amount.

4. *Systems Review.* Observations, findings, and recommendations on possible improvements to the system(s) and process(es) that generated the Overpayment(s).

5. *Credentials.* The names and credentials of the individuals who: (1) designed the statistical sampling procedures and the review methodology utilized for the Claims Review; and (2) performed the Claims Review.
